

NASRA PUBLIC SCHOOL

Date: 25 Mar, 2020

Dear NPS Students and respected parents,

Asalam o Aleikum Wa Rahmatullahe Wa Barakatohu,

As you are aware that currently Govt. of Sindh has locked-down the province till the 4th of April 2020, we are forced to push forward the distribution of results and home assignments by one week.

Please be assured that NPS is taking all possible measures during the lockdown period to keep in contact with all our students / parents to keep everyone posted with the updates.

Please note that following updates:

- NPS campuses are currently closed as per Govt. of Sindh instructions and will reopen after summer break, according to the instructions from Govt. of Sindh.
- The annual result of all students has been finalized based on aggregated Avg. result of 1st Assessment, Midterm Exams and second assessment and students have been promoted to next accordingly, as final exams will not be conducted this year. 1st, 2nd and 3rd positions are awarded to the qualifying students, however due to current situation, the awards and certificates will be distributed once the campuses reopen after the summer break.
- The report cards, home assignments for summer break and fee vouchers for new session will be available at respective campus during the second week of April (8th to 14th April), when and if the lockdown is over. You will be required to provide the paid voucher for the month of Mar 2020 to the Security Guard to collect above mentioned documents.
- In case the lockdown is further extended, our team will get in touch with you to communicate the alternative options for collection of results, home assignments and fee vouchers.

Thank you for patience during these extraordinary times.

May God bless you and stay safe...

Management - Nasra Public School
